

Convention Park Luxembourg A Privilege Pass, multiple advantages

A unique concept dedicated to the MICE industry in the heart t he Capital

In the heart of Europe, easily accessible, Luxembourg is today an ideal MICE (meetings, incentive, congresses and events) destination for event planners. The Place de l'Europe, in the Kirchberg district of Luxembourg City, is strategically located between the city centre and the airport and thus offers an ideal setting for all types of meetings, congresses and events.

A close cooperation between the European Convention Center Luxembourg (ECCL), the Philharmonie, the MUDAM, the Sodexo group, the Centre Infinity, the Melià Luxembourg and the Accor hotels in Kirchberg (Mama Shelter, Novotel Suites, Sofitel Europe, and Novotel Kirchberg) has been at the origin of this new concept in 2017, which offers a real urban centre on a human scale, unique in its kind, which brings together the services and infrastructures necessary for the success of an event.

The Convention Park Luxembourg, with the ECCL as its centrepiece, offers various venues within walking distance to make all types of events unique and diverse. Flexibility is the key word.

A wide range of restaurants and bars, as well as shopping facilities complete the offer of the Convention Park Luxembourg to delight the palate of the participants and thus enjoy the Luxembourg nightlife.

Participants will be able to wake up in the heart of the conference thanks to the 785 rooms divided into 5 quality establishments ranging from 4 to 5 stars and combining modernity and comfort.

The international cultural centres on the Place de l'Europe, such as the Mudam, a museum of contemporary art, and the Philharmonie also invite you to experience intense moments of emotion.

A joint initiative to serve our customers

Over the last few months, the Convention Park has been working on a new joint action called "Privilege Pass Convention Park Luxembourg".
